

MANIPAL INSTITUTE OF TECHNOLOGY MANIPAL

(A constituent unit of MAHE, Manipal)

Best Research Performance – UG/PG students

Objectives

- 1. To encourage undergraduate/post graduate students of Manipal Institute of Technology, MAHE to engage in quality research through publications and patents.
- 2. To recognize and reward the best B.Tech, M.Tech, MCA and MSc students in MIT.

Eligibility

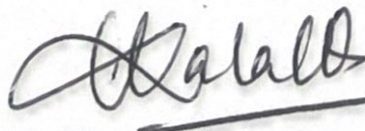

B.Tech, M.Tech, MCA and MSc students of MIT who are in their final year of the program.

The evaluation process will be based on various parameters and their respective weightage as presented in Table 1.

Table 1

Grading parameters	Weightage	Supporting documents
Number of Q1 publications indexed in Scopus/WoS as first author	30	Title page of each publication
Number of Q2 publications indexed in Scopus/WoS as first author (Not counted under Q1 publications)	20	Title page of each publication
Number of Journal publications indexed in Scopus/WoS as first author (Not counted under Q1/Q2 publications)	15	Title page of each publication
Patents filed (Utility Indian Patents)	10	Proof of patent filed
Patents granted (Utility Indian Patents)	15	Proof of patent granted
Number of National/International Conference Publications	10	Title page of each conference publication

The research achievements with MIT, MAHE affiliation during the UG/PG program shall qualify for the nomination for the award.
