Date: December 30, 2025

NOTIFICATION

Re-registration of IV and VI Semester Theory courses

All concerned students who are required to re-register for lower semester backlog theory courses of IV and VI Semesters are hereby instructed to submit the re-registration form in accordance with the details provided below.

1. Re-Registration Procedure

Students shall fill in the re-registration form using the Microsoft Forms link provided below. **The full name of the course and course code must be entered accurately.**

[Re-Registration of Lower semester courses-IV Semester and VI Semester – Fill out form](#)

This form is intended only for accommodating the students for their IV and VI semester courses.

2. SWAYAM/NPTEL Courses

Students who intend to clear their backlog courses through SWAYAM/NPTEL courses are advised **not to include such courses in this form**. Students shall contact the course offering department or the Course coordinator to know the availability of equivalent SWAYAM/NPTEL course for this session (Jan-May 2026).

3. Credit Limit

The total number of credits registered, including the current semester credits, shall not exceed 36 credits.

4. Fee Structure

Theory Courses: ₹5,000 per credit; Examination Fee: ₹600 per course

For Eg: for a 3 credit course, total fee: Rs. 15600/-

Applicable to both General and NRI categories
