Date: August 25, 2026

NOTIFICATION

Registration for Proctored Learning

Students who have completed or currently in their 8th semester of the B. Tech. program and have pending theory courses may register and complete the same through Proctored Learning. The eligible students will receive an email to their learner email by today (August 25, 2026) and they must complete the registration for the proctored learning using SLCM 2.0 on or before 10th September 2026.

If any student, particularly those whose historical academic data is not available in SLCM 2.0, is unable to register for Proctored Learning through the portal, they are required to contact the Academic Section, MIT Manipal, for further assistance.

Registration Fee for Proctored Learning:

Theory Courses - ₹ 5,000/- per credit + ₹ 600 (Examination fee) for both General /NRI category.

(Example.: The re-registration fee for a 3-credit course will be ₹ 15,000+₹ 600 = ₹ 15,600)

The payment notification will be released in SLCM 2.0 portal shortly.

Important Note:

- The steps to be followed for Proctored Learning registration are provided on the next page.
- After completing the registration formalities in SLCM 2.0, Students are required to meet their respective Head of School during September 12 - 14, 2026 to have a mentor assigned.
